Pike Place Market Busker Festival on deck

By **RICK RUTABAGA**

Drum roll please... get ready for the Fourth Annual Pike Place Market Buskers' Festival.

This year's festival, Sunday, Sept. 18, looks to be bigger and better than ever. The festival showcases the eclectic, sometimes eccentric, street performers

indigenous to the Pike Place Market. It is also an effort to maintain excitement as the succulent summer season wanes.

Buskers are the street performers who grace performance areas throughout
